PRINTING/EMBROIDERY & ALL THINGS RED HANDED

Being lifesavers and competitors ourselves, Red Handed are proud to service the clubs of Australia and provide the best gear at the best prices to make us look and feel good on the beach. We are constantly adding to our product range and work closely with clubs to develop their kits.

We are happy to offer free design to make your club standout on the beach.

We use a variety of printing and embroidery techniques to get the best result depending on the product. All setup costs are free providing we reach minimum order quantities. The minimum order quantity on most clothing products is 25. Please contact Red Handed for confirmation as some specialist products are fewer, and to be able to provide the best prices some more.
